Class is FREE with 3 CE Credit Hours

This class is developed for the residential real estate agent and will feature a nuts and bolts approach to 1031 exchanges focusing on the important issues that REALTORS® need to know to best serve your clients.

- ✓ Learn what you as the agent need to know.
- ✓ You will leave the class with a checklist to ensure a smooth encounter on your next exchange.
- ✓ Learn powerful strategies to target clients who own investment property.
- ✓ Develop long-term relationships by learning how to help clients reposition their real estate assets to better meet their financial goals.
- ✓ Learn the most recent changes to 1031 tax deferred exchanges and how you can use them to attract investors.
