

IDAHO HOUSING INSECURITY RESOURCES

COMPILED BY SILVERCREEK® REALTY GROUP

AARON DOUGHTY

PRESIDENT, SILVERCREEK® REALTY GROUP

As REALTORS®, we see the wide spectrum of housing needs in our communities. While we primarily work with those purchasing or selling real estate, we are often consulted on circumstances where families or individuals are experiencing hardship related to housing. It is our philosophy that the more we can support or strengthen all aspects of our industry, all will rise.

We hope that this guide of public resources will serve as a helpful tool as you encounter those in need. While Silvercreek® does not endorse any one organization, we commend the work of all to create sustainable housing for our communities.

Thank you for your dedication to our industry and your commitment to improving communities throughout Idaho.

Housing Insecurity

CAN LOOK LIKE:

Inability to pay rent / mortgage

Raising rent rates beyond
affordability

Barriers to home ownership

Unforeseen eviction

Lack of resources to pay utilities

"A chain is no stronger than its weakest link,
and life is, after all, a chain."

-William James
